Our Straightforward Remodeling Process

Whether it's a full kitchen remodel or a single tile shower, every project follows the same process – so you know exactly what to expect from your first call to the final walkthrough.

- 1 FREE ESTIMATE**
We walk your space with you, talk through your goals, and provide an honest, itemized estimate before any commitment.
- 2 DESIGN & MATERIALS**
You choose materials and finishes with our guidance, and we finalize a plan that fits your space and budget.
- 3 SCHEDULING & PREP**
We set a realistic timeline and prepare your home before any demo or construction begins.
- 4 CONSTRUCTION**
Our own crew handles the work directly, with regular updates so you're never left wondering what's happening.
- 5 FINAL WALKTHROUGH**
We walk the finished space with you, resolve any punch-list items, and confirm everything performs as designed.
